

CHAKRADHAR MADISHETTY

STUDENT

Profile

As an enthusiastic lifelong learner with a passion for diverse interests, I thrive on challenges and aim to make a positive impact in every endeavor. With a solid foundation in Computer Science, I bring a unique blend of technical expertise, leadership, and problem-solving skills. My experience includes a prestigious internship at Cisco, where I honed my abilities in cybersecurity through a structured and progressive learning program.

Education

B.TECH

Technical Skills

- Data Structure and Algorithms
- java programming language
- Machine learning using python
- Computer networks
- Cybersecurity
- AWS Cloud

Project

Smart Parking Finder using Django & Google
Maps API

Expertise

- Leadership Skills
- Logical Reasoning
- Communication & Problem-Solving
- Adaptability
- Teamwork
- Social Skills

Internships

Introduction to Cybersecurity
CISCO NETWORKING ACADEMY
(virtual internship)

Volunteer experience

Conducted a technical event on
Networks called :
Adventure Net
(2/24)

Languages

- English
- Telugu
- Hindi

Certifications

CISCO NETWORKING ACADEMY

- Introduction to Cybersecurity
- Cybersecurity Essentials
- Introduction to Packet Tracer
- CCNA: Introduction to Networks
- CCNA: Switching, Routing and Wireless Essentials
- CCNA: Enterprise Network Security, Automation
- Python Essentials 1
- Python Essentials 2

Hobbies

- Exploring New Technologies
- Writing Personal Journals
- Listening Music
- Travelling
